Meter Bulbs

You can get them from:

Instrument Meter Specialities

Glendale, CA, USA

1-800-926-3837

<http://www.meterdistributor.com/>

Part Number: AC122 Festoon, 12V, 1.2W

We switched over to LED illuminated meters some time ago, so we don't stock the bulbs.

Lamp replacement

- Turn off AND unplug the unit
- Wait 30 minutes for any residual electricity to dissipate
- Remove the top cover
- Remove the lamp assembly at the back of each meter by removing the two Phillips-head screws
- Replace the bulbs
- Reinstall the lamp assembly and screws
- Replace the top cover and screws
